

REMEDICATION AND REDEVELOPMENT (RR) NEWS FROM WISCONSIN DNR  
April 18, 2000

The Department is recommending that the Natural Resources Board (NRB) adopt an emergency rule and authorize hearings on a permanent rule for NR 746 and conforming changes to NR 700, 716, 720, 722 and 726. The Natural Resources Board (NRB) will take up this item at its April 26th meeting in Madison. Emergency rule NR 746 is identical to the new emergency rule Comm 46. The NR 746 emergency rule order and changes to the NR 700 series are identical to the permanent rule order except for citations to the authorizing statutes and the effective date of the rules. The Green Sheet package, which presents the proposed rule changes to the NRB is posted on our web site at <http://www.dnr.state.wi.us/org/aw/rr/index.htm>. The permanent rule order is not on the web site since it is so similar to the emergency rule order. The Green Sheet package includes the: Green Sheet, Fiscal Note, Background Memo and Emergency Order NR 746 with conforming changes to NR 700, 716, 720, 722 and 726. If adopted by the NRB, the DNR emergency rule will become effective on May 18th.
